

# **AUTOMATED EXPORT SYSTEM (AES) USER MEETING**

**Embassy Suites Hotel  
150 Anza Boulevard  
Burlingame, CA  
June 17, 2003  
9:00am - 4:00pm**

## **A MUST MEETING FOR AES USERS**

### **Foreign Trade Statistics Regulations**

Hear about the proposed AES Filer License Program that Census plans to implement with mandatory AES. Census will also cover regulatory issues such as routed transactions and responsibilities of export parties.

### **Enhancement to *AESDirect* - *AESpCLink***

Since 1999, Census has made many *AESDirect* changes and enhancements to better serve the export filer utilizing the power of the Internet. Census will demonstrate how to file an SED electronically, show all the new enhancements and provide hints and tips for easy filing.

### **AES Problems and Concerns**

Census goes over the most common problems that the AES participants make when filing in AES and provides solutions to such. Census also displays the new monthly "progress report" available to all AES filers.

### **Mandatory Filing via AES**

Public Law 107-228 requires that all persons required to file export information, file such through the Automated Export System (AES). Census will cover the phase-in process to implement full mandatory AES and the new requirements that are included in this implementation

### **Bureau of Customs and Border Protection (CBP)**

A CBP representative will address local operations, how they use AES, and CBP's expectations for AES filers.
